What is a meal?

- Lunch (5 items) – meat/meat alternate, vegetable, fruit, grain/bread, milk
- Breakfast (4 items) – meat/meat alternate, fruit, grain/bread, milk
- USDA policy requires a student to have 3 of the 5 meal items at lunch and 3 of the 4 meal items at breakfast. For lunch and breakfast, one of the three items must be a fruit or vegetable. Otherwise, the student will be charged the individual price of each.

Charges

- Students may charge no more than \$10.00 in meals.
- Students with negative balances can't purchase special sale items.
- If students have negative \$10.00 balances, they are served alternate meals until the balances are paid.
- If students on free meal status have negative \$10.00 balances, they will still receive regular meals.
