FREE MEALS for the 2025-2026 school year!!

Breakfast and lunch will be free again
this year for all students in the
School District of Pickens County!

How is this possible?

Through the Community Eligibility Provision (CEP). CEP allows for free meals for all students based on overall economic status. It eliminates the need for free or reduced meal applications.

What does this mean?

- No applications or additional information is required.
- You can skip the lunchbox! Let us help you save time and money this school year. Remember one breakfast and one lunch per school day are free.
- If a student wishes to get a 2nd breakfast or a 2nd lunch, they must have money on their account.
- Studies show that children that eat breakfast and lunch have fewer tardies, higher test scores and fewer behavioral issues.
- If a student has a negative balance on their lunch account from previous years, please make sure this is paid.
